

FoodShare Partner Packages

FoodShare rescues over 763,000kg of food each year from over 44 suppliers and distributes this to more than 200 agencies, schools and neighbourhood centres for people in need within a 150km radius of Albury Wodonga.

There are 24,200 people living in poverty in our region and over 5,000 of them are children. With our team of volunteers we distribute food equating to 1.47 million meals each year valued at over \$5.15 million.

FoodShare must find a new home and funds are urgently needed so we can continue to help people in need.

If you are a local business manager consider becoming a corporate partner and help us build a better future.

When you become a FoodShare partner you will receive the following benefits to acknowledge your support.
